QUOTE

“CHILDREN ARE THE FUTURE AND THAT IS KIND OF OBVIOUS. I LOVE CHILDREN BECAUSE HUMAN BEINGS ARE PUREST WHEN THEY ARE CHILDREN; THEY ARE THE MOST HONEST, THE MOST CREATIVE. ULTIMATELY, MY CHILDREN HAVE BEEN MY TEACHERS”

UNITED STATES POP STAR MADONNA, THE NATION NEWSPAPER , JUNE 11 2016

INTRODUCTION

OBJECTIVES

The Academy is a non-profit making organisation devoting a substantial part of its program

- ▶ To uplift girls not only in Tennis but also in their academics (Education is the key to success and our special focus is to keep the girl child at school)
- ▶ To train young girls in the use of ICT equipment i.e. Word, excel, powerpoint.
- ▶ To combine the teaching of Tennis with human development in line with our core values: **Discipline**, Humility, Willingness, Respect, Self control, Courage, Autonomy and Self confidence

OBJECTIVES

- ▶ To offer a complete and highly qualified service and a range of personalised solutions to each one of our girls
- ▶ To keep developing a team oriented to continuous improvement and excellence
- ▶ To ensure online safety to girls who are more vulnerable in this digital world than boys

CAPACITY BUILDING

- ❖ **After 2 hours of tennis coaching, we train them in computer studies for 30 minutes.**
- ❖ **In an effort to motivate the girls, all prizes for tennis tournaments are ICT and Education related prizes like IPADS, School Bags, Books, Pencils , buying uniforms etc**
- ❖ **Counseling on behavioural aspects like early marriage issues, pregnancy, HIV/AIDS.**

CAPACITY BUILDING

CAPACITY BUILDING

CHILD ONLINE PROTECTION

- ▶ Awareness on child trafficking. Restriction of people to chat with on facebook, sms and whatsapp
- ▶ Guidance on online content access i.e. Only education and games and not explicit stuff like pornography
- ▶ Guidance on TV programs to watch.

INSTITUTIONAL CHALLENGES

- ▶ Lack of ICT trainers. Current ICT expert trainers work on voluntary basis hence missing some lessons
- ▶ Expensive ground rentals at Limbe Country Club.
- ▶ Inadequate ICT and Tennis equipments

FUTURE PLANS

- ▶ Construct an ICT lab and tennis courts
- ▶ Incorporate young boys to strike the gender balance
- ▶ To find scholarships for girls who are performing well in their Academics
- ▶ To employ full time ICT experts
