CHILD ONLINE PROTECTION

Who we are.

- Watoto Watch Network is a child focused non-profit organization that has been on the lead in championing Child Online Protection (COP) since 2013 in Kenya. We are also the Kenya Organizers of the Global Safer Internet Day, which is celebrated globally to help promote the safe, responsible and positive use of digital technology for children and young people

What we do

- Awareness raising activities on Child Online Protection through trainings for children, parents, law enforcement agencies and other relevant stakeholders.
- Deliver educational sessions for children, parents and teachers in schools and other settings.
- Coordinating the observation of Safe internet Day in Kenya.
- Providing a website that is a hub for information and advice for children, parents, teachers on how to be safe online.
- Providing parents, teachers and other stakeholders with safety advice and tips for children and young people.
- Provide a reporting platform for children on internet safety matters.

Our programs

- **Children/young people's program.**
- **Parent's Program.**
