* Regulatory time limit under No. 9.38: 4 months.

Note – There may be some discrepancies in the numbers shown over the 15 months. This is due to cases being merged after detailed analysis or being cancelled at the request of the administration.

Column description:

Networks received – The number of filings received from administrations during the month.

Networks published:

- **New:** the number of filings received from administrations published during the month.
- **Other:** the number of filings published as a consequence of the Bureau's action in the application of relevant provisions of the RR during the month.

Date of receipt – The regulatory date of receipt of the last filing published.

Under treatment – The number of filings received from administrations under treatment at the end of the month.

Treatment time – Time between the regulatory date of receipt and the date of publication of the last network treated.
