

**PARTNERSHIP ON AI**

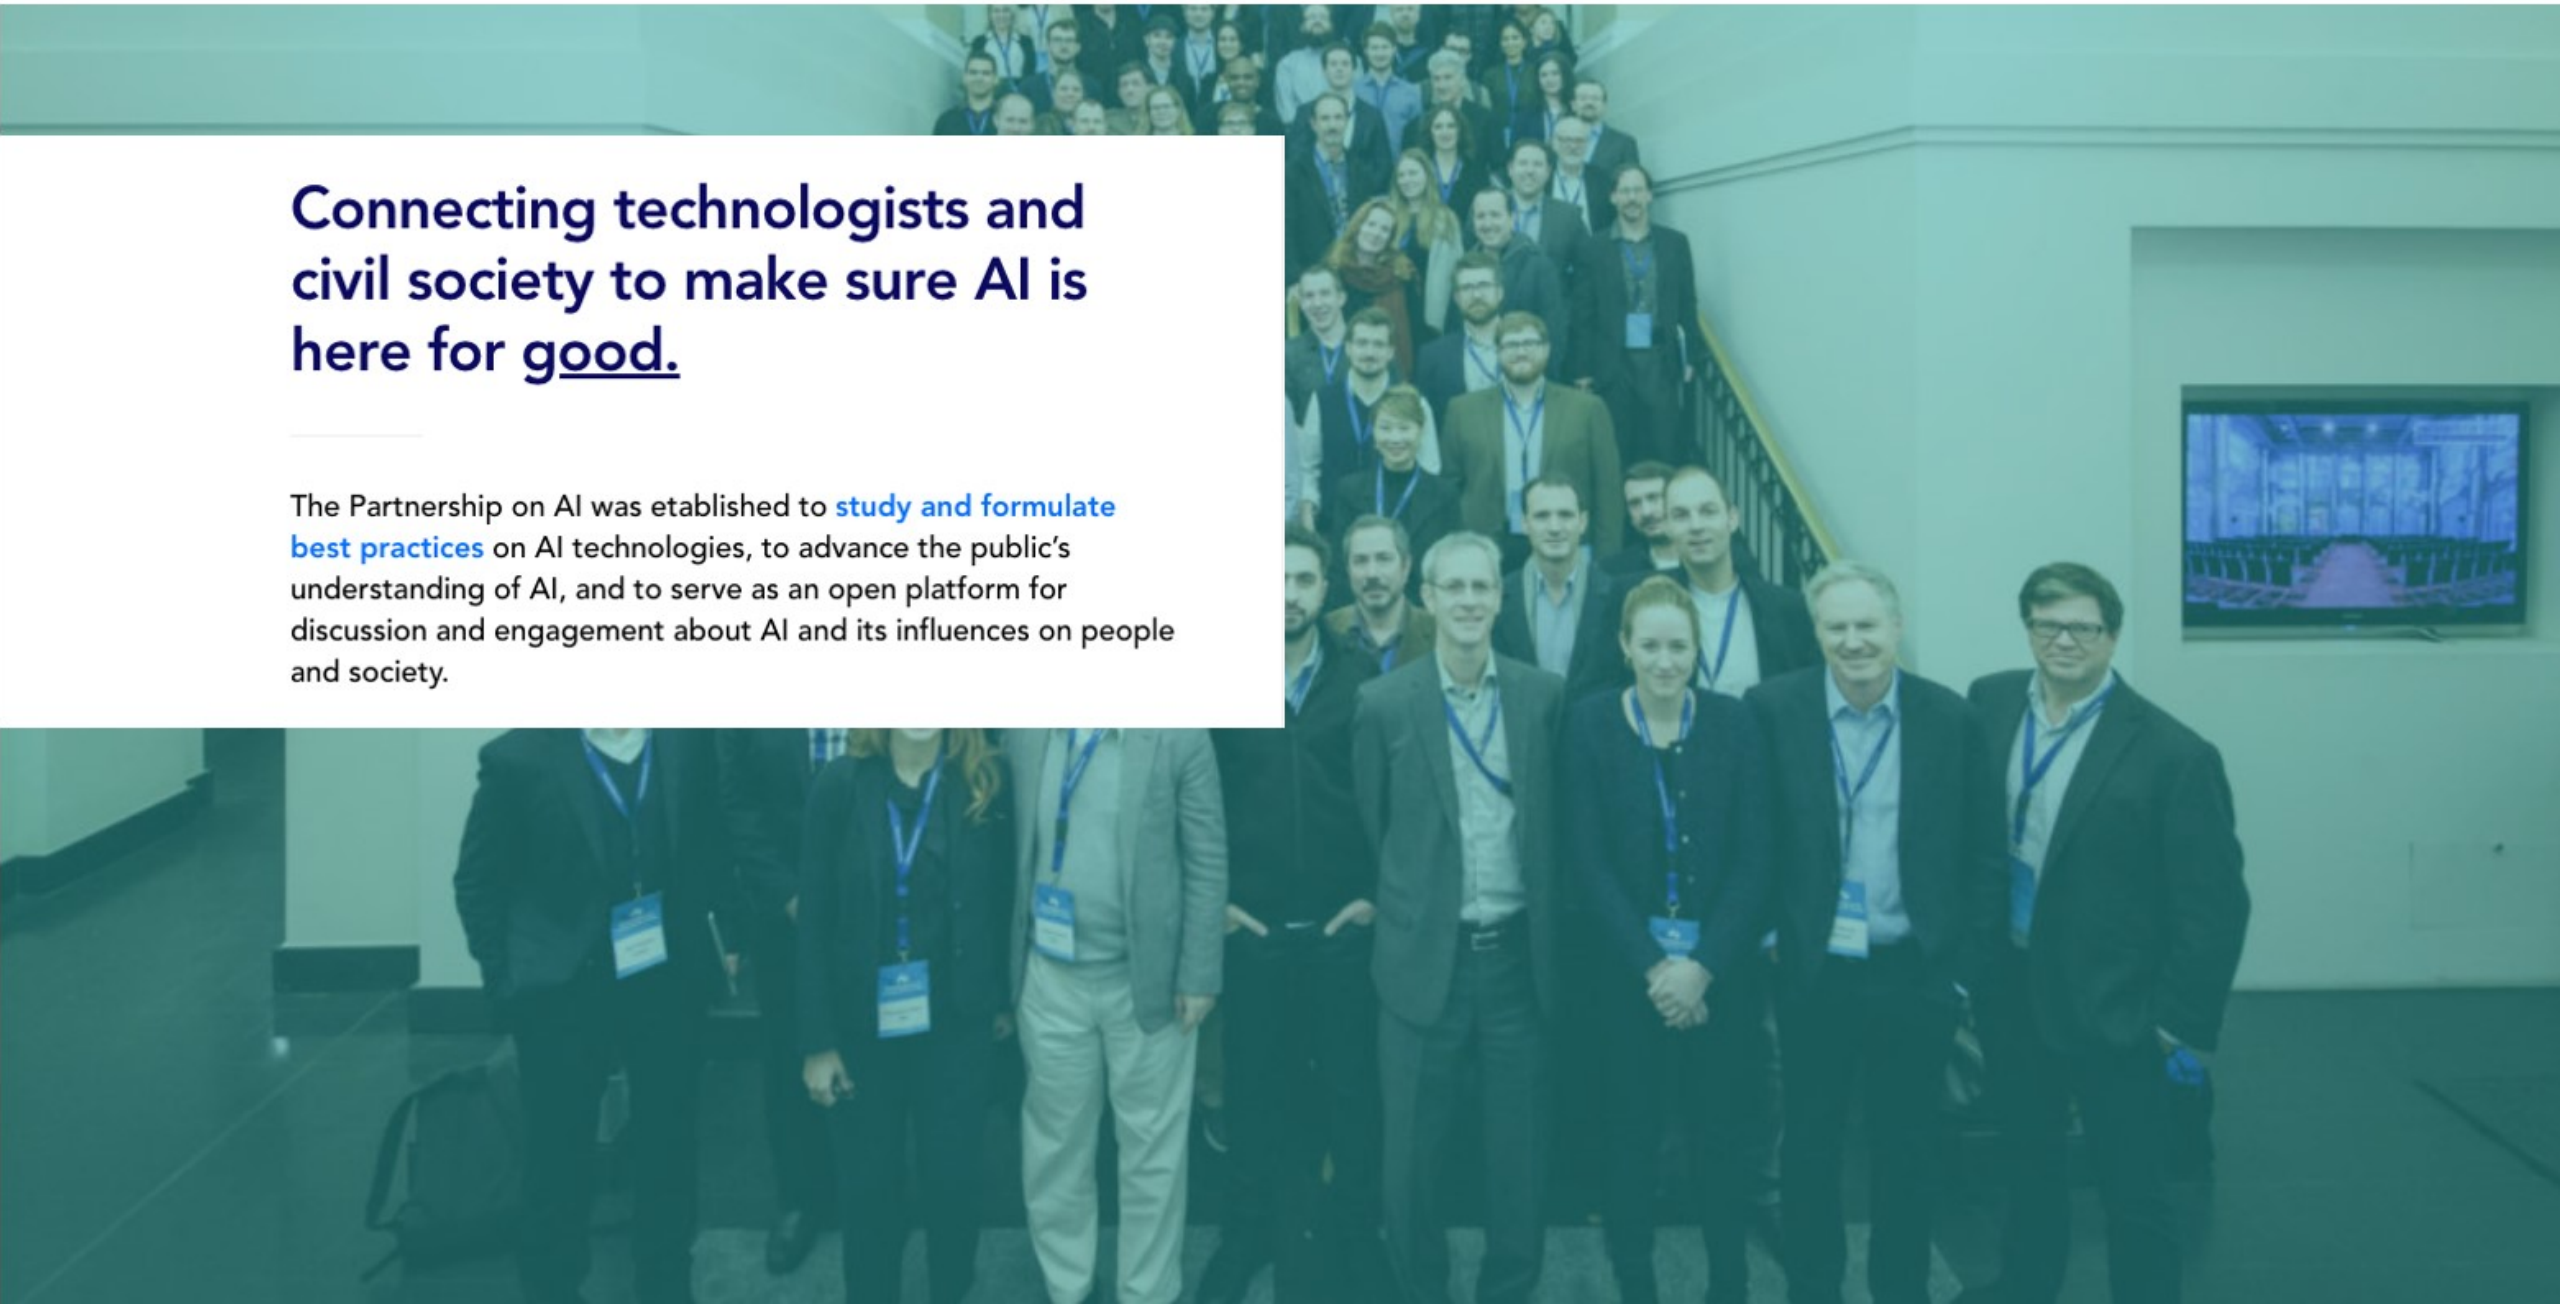

# FOUNDING PARTNERS

## Connecting technologists and civil society to make sure AI is here for good.

The Partnership on AI was established to **study and formulate best practices** on AI technologies, to advance the public's understanding of AI, and to serve as an open platform for discussion and engagement about AI and its influences on people and society.

**1** Develop and share best practices

**2** Advance public understanding

**3** Provide an open and inclusive platform for discussion & engagement

**4** Identify and foster aspirational efforts in AI for social good
