Notes:

- (a) This is a Universal Personal Telephony (UPT) code.
- (b) DELETED, referred to 991 001 which is no longer assigned or delegated for ENUM.
- (c) This is a temporary authorization for ENUM global TLD trial and evaluation. This delegation will end on 30 June 2007. If the ITU Interim Procedure is discontinued before then, or if the Recommendation E.A-ENUM is approved before 30 June 2007, the delegation will be turned into an objection.
- (d) This is a country code and associated identification code for Networks (shared country code).
- (e) This delegation will end on 31 December 2006.
- (f) This is a temporary delegation for the purposes of technical trials. The delegation will end no later than one year after the confirmation of the delegation by RIPE NCC. Only NDCs in Jamaica and the United States of America have been approved for sub-delegation by CC1 ENUM LLC.
