

Biography of Thierry ALBRAND

After several years spent in a large French bank and with the world leader in civil works Thierry joined Alcatel-Lucent in 1990.

As Senior Chargé d'Affaires in the Export Financing Department within Alcatel CIT, he secured payments of commercial contracts and set up financing in order to support orders and sales. In 1994 he became Treasurer of Alcatel CIT in charge of managing the cash position and the interest rate and foreign exchange risks. He joined Alcatel HQ in 1996 as Deputy Director of the International Treasury Corporate Department in order to participate to the centralization of the treasury activities of the group.

Coming back to Alcatel CIT in 2000 as Director of Sales Financial Management, he was responsible for Export Financing, Treasury and Contract Administration Management (invoicing customers and collection of receivables) Departments.

In 2004 Thierry was appointed Vice-President Digital Bridge and coordinator for the relationship with the multilateral financing institutions for Alcatel-Lucent.
