Subject: Handbook on New Developments in Rural Telecommunications

---

## **TO ADMINISTRATIONS OF MEMBER STATES OF THE ITU AND MEMBERS OF THE DEVELOPMENT SECTOR**

Dear Sir/Madam,

When Question 16/2 was considered at the first meeting of ITU-D Study Group 2 held in Geneva from 7 to 9 September 1998, it was decided that the draft "Handbook on new developments in rural telecommunications" (distributed at the meeting as Document 2/12) would be sent to ITU-D Members for comment.

Accordingly, I have pleasure in sending you herewith a copy of the draft Handbook and would welcome any comments you might wish to make. These should be addressed, before 30 November 1998, to:

Mr. Johan Ernberg  
Counsellor  
Telecommunication Development Bureau  
International Telecommunication Union  
Place des Nations  
1211 Geneva 20  
Switzerland

Email: ernberg@itu.int

The final version of the Handbook will be published by BDT taking into account, as far as possible, the suggestions and comments received.

Thank you in advance for your cooperation.

Yours faithfully,

A. LAOUYANE  
Director
