

K.Olms received his master degree in telecommunications from the Technical University in Aachen, Germany, before he joined the Deutsche Bundespost where he held various posts with increasing responsibilities in frequency management.

He was active in CCIR Study Group 1, CEPT and many WRCs.

He joined the ITU as Senior Counsellor in 1985 and left the ITU in 1999 as Deputy Director and Head of Department in the Radiocommunication Bureau.

Now with the Federal Ministry of Economics and Technology, he is responsible for UMTS, security in telecommunications and contingency planning.
