

Chris Jackson
3G Director
GSM Association

Following extensive experience in leadership roles with cellular vendors, Chris became a founding Partner of the Wireless Frontiers VC Fund before joining the GSM Association. As an investment Partner he served on the Boards of start up companies and was responsible for making investments in wireless technology companies

Chris's wireless experience includes serving as Vice President of Wireless Services with Nokia Mobile Phones where he was responsible for beginning to bring the mobile data vision to end users. While at Nokia, Chris held various positions including Head of Strategy Development for the Nokia Group and Vice President of Corporate Strategy for the Nokia Mobile Phones business group.

He began his Motorola tenure with the Cellular Systems in Europe, which ultimately led to leadership positions for global GSM products and went on to become Vice President and General Manager of European Solutions.

Mr. Jackson received his M.B.A. from Bradford University and his B.S. in Electrical Engineering from Manchester University.
