

Data Sharan Mishra
Wireline Network Architecture Specialist
Qtel (Qatar Telecommunication)

After Completion of Master of Technology in Electronics & Telecommunication Engineering in 1980, I joined Indian Telecom Service. I joined Emirates Telecommunication as Transmission expert in 1991 and Qtel (Qatar Telecom) in 2002, as Head of Access Network Planning & Development. I have 25 years of experience in Telecom (Transmission, NGN, Voice & Non-Voice) field. I wrote a book on " Optical Access Network" in 1999 which was published from World-view publication New Delhi, India. I have presented various papers on SDH & DWDM in International Conferences & Seminars.

Presently I am responsible for Fixed Network Architecture which include Broadband Wireless Access also in Qtel
