

## CV

Ms. Blanca M Gonzalez holds a BS degree in Physics and a Master's Degree in Business Administration. Since 1998 she has worked for the Telecommunications and Information Society State Secretariat. She currently serves as Head of International Organizations Service and her responsibilities include representing Spain in ITU meetings and conferences.

Ms. Gonzalez was first appointed Vice-rapporteur for Question 7 in 2002 and actively participates in Study Groups meetings as well as in the Telecommunications Development Advisory Group and World Telecommunications Development Conferences.
