

Bio

Laboni Patnaik (Laboni@qualcomm.com) is a manager for the Government Affairs group at QUALCOMM and focuses on international regulatory affairs, mostly in developing countries. She supports efforts in promoting deployment of 3G technology worldwide by supporting QUALCOMM, governments, and operators in seeking policy and regulatory reform that supports rapid deployment of 3G-based systems. She is actively involved in regulatory telecom developments in India. She also participates in various International Telecommunications Union meetings, activities, and international 3G training programs. Mrs. Patnaik is currently the Rapporteur of Question 20/2 on broadband access technology within ITU-D Study Group 2. Prior to joining QUALCOMM, Mrs. Patnaik was a technical consultant for Deloitte and Touche.

Mrs. Patnaik received her Bachelor of Science Degree in Computer Science and Engineering from the University of California, San Diego, in 2000, and went on to earn her Masters Degree from the Graduate School of International Relations and Pacific Studies at the University of California, San Diego, in 2003.
