

**Speaker:** Mr. Wayne Zeuch  
ITU Consultant

**Session** **S3-16: Building Testing Labs (cont)**

**Title of Presentation:** Roadmap for the Planning and Rollout of a Regional  
Conformance and Interoperability Test Center

---

This presentation discusses a roadmap for the development and rollout of a Regional C&I Testing Center. Consideration is given to the technologies, market needs, economics, facilities, and operations involved in developing an ITTC.
