

**Program of the international Workshop  
'INNOVATIVE RESEARCH DIRECTIONS IN THE FIELD OF  
TELECOMMUNICATIONS IN THE WORLD'**

**within ITU-ZNIIS joint project on creation of  
'International Telecommunication Testing Centre'  
(ITTC)**

Moscow, Russia, 21-22 July 2011

**July 21**

**09.30 – 10.00 Participants registration**

Participants registration and training and information materials distribution

**10.00 – 10.15 Minkomsvyaz welcoming address**

***Temporary acting Director of the Creation and development of Information Society  
Department***

*I.I. Khimchenko*

**10.15 – 10.30 Welcoming address from ITU Area office**

***Administrator of Programs for CIS Countries***

*A.L. Untila*

**10.30 – 10.45 Welcoming address from RCC Executive Committee**

***Director General***

*N.N. Mukhitdinov*

**10.45 – 10.50 ZNIIS welcoming address**

***Deputy Director General ZNIIS on scientific activities***

*V.A. Efimushkin*

**10.50 – 11.00 Welcoming address form International Workshop Coordinator**

***ZNIIS Technopark Director***

*D.V. Andreev*

**11.00 – 11.30 Innovative development program of JSC Rostelecom: main directions and  
approaches**

***Director of the Department of innovations JSC Rostelecom***

*V.V. Nikitin*

**11.30 – 12.00 Coffee break**

**12.00 – 13.00 Innovative research directions in the field of telecommunications**

**Key activities of ITU-D in the field of international testing centers creation**

***ITU-D representative***

*Ricardo Passerini*

**Scientific-research aspects of innovative development of telecommunications**

***ZNIIS Technopark Director***

*D.V. Andreev*

**13.00 – 14.00 Lunch**

**14.00 – 16.30 Innovative research directions in the field of telecommunications in Europe**

**New wave in telecommunications - Internet of Things**

***Professor of Tampere University of Technology (Finland)***

*E.A. Kucheryaviy*

**Research works in the field of telecommunications in Europe under the scope of FP7 activities**

***Professor of Tampere University of Technology (Finland)***

*E.A. Kucheryaviy*

**Telecom Service Delivery Platforms and Application Stores**

***ITU-T representative***

*Marco Carugi*

**Cloud computing technology in Telecommunication ecosystems and recent ITU-T standardization efforts**

***ITU-T representative***

*Marco Carugi*

**16.30 – 17.00 Coffee break**

**17.00 – 18.00 Experience of the telecommunication manufacturers in the field of innovative research**

**Current state and trends of the telecommunication sector development in Russia**  
**Chief Analyst of Huawei in Russia**

*A.V. Golyshko*

**Demonstration of joint IXIA/ZNIIS solution on video services (IPTV) quality parameters monitoring and control**  
**ZNIIS Science Department Head/Syrus expert**

*V.A. Shalaginov/A.V. Zimskov*

**18.00 – 22.00 Social event**

**July 22**

**10.00 – 12.00 ETSI approach in the field of Innovations**

**ETSI TC INT activities in the field of IMS standardization and testing**  
**ETSI TC INT Vice-Chairman**

*Martin Brand*

**Development perspectives for IMS and RCS services in Europe**  
**ETSI TC INT Vice-Chairman**

*Martin Brand*

**Principles of ETSI specifications creation using STF's**  
**FSCOM representative, ETSI STF Leader**

*Peter Schmitting*

**Approbation of new technologies and ETSI specifications in Europe using Plugtests service**  
**FSCOM representative, ETSI STF Leader**

*Peter Schmitting*

**12.00 – 12.30 Coffee break**

**12.30 – 14.00 Joint ITU/ZNIIS project on creation of ‘International Telecommunication Testing Centre’ (ITTC)**

**History of ITTC project for CIS region /  
Key results and general statistics from ITTC project for CIS region  
ZNIIS Technopark Director / ZNIIS Technopark Deputy Director**

*D.V. Andreev/ K.A. Savin*

**Approaches on creation of ‘International Telecommunication Testing Centre’  
ZNIIS Science Department Head**

*V.A. Shalaginov*

**Demonstration of joint IXIA/ZNIIS solution on services quality parameters  
monitoring and SLA control  
ZNIIS Science Department Head/Syrus expert**

*V.A. Shalaginov/A.V. Zimskov*

**Knowledge Database and Social network of experts /  
Virtual laboratory – as child of ITTC project activities  
ZNIIS Technopark expert**

*V.A. Zharikova*

**14.00 – 15.00 Lunch**

**15.00 – 16.30 Directions of innovative research in the field of telecommunications for CIS countries**

**Current status of telecommunication sector development in Moldova /  
Directions of innovative telecommunications research in Moldova  
Technical Director «Moldtelekom»/Deputy Technical Director  
«Moldtelekom»**

*V.A. Petrov/S.N. Kazak*

**Current status of telecommunication sector development in Uzbekistan /  
Directions of innovative telecommunications research in Uzbekistan  
Head of Communication and Information department of "UNICON.UZ"**

*A. Mirkhabibov*

**Current status of telecommunication sector development in Belorussia /  
Directions of innovative telecommunications research in Belorussia  
1st category Engineer of Giprosvyaz R&D department**

*F.K. Nakhli*

**16.30 – 17.00 Coffee break**

**17.00 – 17.30 Round table**

**Common discussions of seminar topics**  
**ZNIIS Technopark Director**

*D.V. Andreev*

**17.30 – 17.45 Final session**

**Report by ITU Area Office representative**  
**Administrator of Programs for CIS Countries**

*A.L. Untila*

**Report by ZNIIS representative**  
**ZNIIS Technopark Director**

*D.V. Andreev*

**17.45 – 18.00 Ceremonial presentation of ITU certificate**
