Mr. Leonardo Cembranelli de Aquino (Alumni of Youth Forum World 2003) has completed his graduation course on International Relations and he is currently studying Law in his fourth year. He learned about the ITU's Youth Program in his university.

Although Mr. Aquino did not know much about the ICTs issues at that time, he saw a great opportunity to learn something beyond his knowledge. Encouraged by his professor, he applied for it and won the great honor to represent his country in ITU-Telecom Youth Forum World 2003.

That particular activity played a very important role in Mr. Aquino's life in the sense that it opened a new world to his career as well as helped him to understand global issues better.

***“Participation in the ITU's Youth Program is a life changing experience.”***

Said Mr. Leonardo Cembranelli de Aquino, ***“ITU organized a very good Forum for us. They prepared for a very interesting programme in the***

*telecom sector, which will motivate us to contribute for a successful future of ICTs.”*
