

Profile

Name: **Ingrida Gailume**

Age: 25

Sex: Female

Year of participation: Youth Forum World 2003

Country of origin: Latvia

Profession: Head/Student

Current Position: Head of Division

Ms. Ingrida Gailume (Alumni of Youth Forum World 2003) is currently working in the Department of Communications within the Ministry of Transport in Latvia. Meanwhile she is in the process of finishing her Master thesis.

Ms. Gailume learnt about ITU-Telecom Youth Forum from Riga Technical University in Latvia. With the wish to gain new international experience and exchange views with students from different parts of the world, she applied for, and participated in, the 2003 Youth Forum. Thanks to this special experience, she got her current job, working in the field of telecommunications in her country.

“It is a great event!” said Ms. Gailume, ***“Do not hesitate to apply and participate in similar events organized in the future!”***
