

## Profile

Name: **Tom De Bruyne**

Age: 25

Sex: Male

Year of participation: Youth Forum World 2003

Country of origin: Switzerland/Belgium

Profession: Network Engineer

Mr. Tom De Bruyne (Alumni of Youth Forum World 2003) is currently working as a System Network Engineer in a national telecommunication company. He learnt about ITU-Telecom Youth Forum at his university. In order to gain more new ideas and understand more cultures, he applied for this particular activity, for which he was selected to represent his country to take part in.

Mr. Tom De Bruyne was impressed by various presentations given by ITU and by other CEOs as well as their ideas towards the world economy. This special experience broadened his view and taught him to stand on a higher position to consider the worldwide issues.

Mr. Tom De Bruyne hopes that the young people, like him, will contribute more to the communications among the world.
