Name: **Mariem Mahjoub**

Age: 22

Sex: Female

Year of participation: Youth Forum Africa 2004

Country of origin: Tunisia

Profession: Student (recently graduated)

Ms. Mariem Mahjoub (Alumni of Youth Forum Africa 2004) just got her first degree recently. She learnt about ITU-Telecom Youth Forum from the Department of Foreign Relations at her Institute. What encouraged her to apply for this event was her desire to meet with other young people from different countries and to know about the development status of ICTs in various regions.

Ms Mariem Mahjoub got the opportunity to participate in ITU-Telecom Youth Forum Africa 2004. What impressed her most during that particular activity was enormous support that the Forum organizers provided to the youth, as well as, tremendous interest the young people manifested to the development of the ICTs in their region and own countries.

“The experience of Youth Forum participation changed my whole life.”
Said Ms. Mariem Mahjoub. *“It enriched my knowledge in ICTs field and built up my confidence for contribution to this sector. So, I would like to address to all potential applicants: Don’t hesitate to apply for it!”*
