Ms. Olga Tomashevskaya (Alumni of Youth Forum 2003) just got her Master degree in telecommunications and is currently working as a telecommunications manager in a mobile communication company.

She learnt about ITU-Telecom Youth Forum from her university. This Forum aroused her great interest because she knew it would be a unique opportunity to obtain new knowledge in telecommunication field. After winning the essay competition, Ms. Olga Tomashevskaya was selected to represent her country to attend that event in 2003.

The Youth Forum and ITU World Exhibition influenced her deeply. It served as a good stimulus for Ms. Olga Tomashevskaya to develop herself further as a telecommunication expert. It also promoted her with her study at the university. As a result, Ms. Olga Tomashevskaya got “Distinction” when she graduated.

Ms. Olga Tomashevskaya cherishes the experience of her participation in Youth Forum so much that she wishes all the young people would have chances to participate in such an event.
