

YES- YOUTH EDUCATION SCHEME WINNERS- 2008 - 2009

#	Full Name	Country (Nationality)	Present degree / education	Degree to be obtained	Institution/ University/ Courses	Sponsor
1	Mr. ABANO RODRIGUES Edson Arante	Angola	Computing License (1rst year)	Computing License (2 years)	University de Lusiada Lisboa	Portugal Administration
2	Mr. REAZ Khan Mehedi Al	Bangladesh	Student in the BS program of Electronics and telecommunication Engineering(North South University	Bachelor of electronics and telecommunication engineering (2,5 years)	North South University. Bangladesh	Spain Administration
3	Ms. NOUDOFINI Alda Carmen Senoude	Benin	Communication development engineering certificate. High School of teaching and management. Bénin	Professional license in informatics development of communication and technology, with the possibility of having a master (3 years)	High School of teaching and management. Benin	Alcatel-Lucent, France
4	Ms. LASSISSI Halidath	Benin	Technician Certificate in teleinformatics. High Multinational School of Dakar. Senegal	2nd year of engineering in telecommunication works. Technical option (2 years)	High Multinational School of Telecommunication	Spain Administration
5	Mr. RINZIN Chimi	Bhutan	Bachelor of Computer Applications (BCA) (1 year student).	Bachelor of Computer Applications (BCA) (2 years)	Srinivas College of Management Studies. University of Mangalore	Spain Administration
6	Mr. VARGAS PENA Leonardo	Bolivia	Computing engineer	Official master in telecommunication networks for developing countries	King Juan Carlos University. Spain	Spain Administration
7	Mr. MMOPE Baone	Botswana	Maru A Pula School	Cisco Systems	IT-IQ Botswana	Alcatel-Lucent, France
8	Mr. ZONGO Kiswendsida Macaire	Burkina Faso	Institut Supérieure d'Informatique et de Gestion (ISIG)	Master	ISIG	Alcatel-Lucent, France
9	Ms. MENDES PEREIRA	Cape Verde	License in computing	License in computing	Higher Education Institute	Portugal Administration

	Edna Suzete		technology (Student in the 3rd year)	technology		
10	Ms. SEMEDO Maria Odete Tavares	Cape Verde	License in computing technology (Student in the 3rd year)	License in computing technology	Higher Education Institute	Portugal Administration
11	Ms. RODRIGUEZ FURTADO Dulceneia Ramalhete	Cape Verde	License in computing technology (Student in the 3rd year)	License in computing technology	Higher Education Institute	Portugal Administration
12	Mr. DURAN PINCHEIRA Alexis David	Chile	Electronics and telecommunication engineer	Master in data and connectivity networks	Polytechnic School of the Army (ESPE) Ecuador	Spain Administration
13	Mr. RUIZ PARDO Julian Andres	Colombia	Electronics engineer	Official master in telecommunication networks for developing countries	University King Juan Carlos. Spain	Spain Administration
14	Mr. RIOS GUZNAY Fabian Marcelo	Ecuador	Electronics engineer	Official master in telecommunication networks for developing countries	University King Juan Carlos. Spain	Spain Administration
15	Mr. RIVERA ZAPATA Christian Santiago	Ecuador	Electronics engineer	Official master in telecommunication networks for developing countries	University King Juan Carlos. Spain	Spain Administration
16	Mr. ADANE Girma Fanta	Ethiopia	University of Technology, Australia	Bachelor of ICT Engineering (5 years)	University of Technology, Sydney, Australia	Spain Administration
17	Ms ADADE Theresa	Ghana	Diploma in Telecommunications Engineering Multimedia University of Malaysia	Bachelor in Computer Science (2 years)	Regent University. College of Science and Technology. Ghana	Spain Administration
18	Mr. RIBEIRO Valentim Almada	Guinea Bissau	Student in the 3rd year in organizational communication and journalism	Organizational communication and journalism	University Amilcar Cabral. Bissau	Portugal Administration
19	Mr. TILWANKAR Amit	India	Bachelor of Engineering. High-tech Institute of Technology Aurangabad. INDIA	Master of Science in Communications Engineering (International Graduation Program) (2 years)	Technical University of Munich. Germany	Spain Administration
20	Mr. DARDIRI Ahmad	Indonesia	Bachelor Degree of Industrial Engineering (2 year student)	Industrial Engineering (2 years)	Bandung Institute of Technology	Alcatel-Lucent, France

21	Mr. EFTEKHARI ROOZBEHANI Yaser	Iran	Student: Ph.D. Electrical Engineering/ Telecommunication. Carleton University. Canada	Ph. D. Electrical Engineering (telecommunication)	Carleton University. Canada	Spain Administration
22	Mr. MBWANA LIMIS Prince Nutty	Malawi	Advanced Diploma in Management of Information Systems (Part I) Malawi College of ACC	Advanced Diploma in Management of Information Systems (Part II).	Malawi College of Accountancy	Alcatel-Lucent, France
23	Mr. MTINGWI Stanislaus Chisoni	Malawi	NNC International Diploma in Computes Studies. National College of Information Technology (NACIT)	Bachelors degree in Computing and Information Systems	NACIT, Malawi	Spain Administration
24	Ms. MANTHIMBA Queen	Malawi	International Diploma in Computer Studies NCC IDCS National College of Information and Technology.	Advanced Diploma in Computer Studies NCC and Honor's Degree. (2 years)	National College of Information Technology	Spain Administration
25	Mr. KONDWANI Dereck Richard	Malawi	Diploma Telecommunication Engineering. The Malawi Polytechnic	Bachelor of Science in Electrical Engineering (4 years)	University of Malawi (The Polytechnic)	Spain Administration
26	Ms. CRUZ COLMENARES Cecilia Janeth	Mexico	Computing engineer	Official master of telecommunication networks for developing countries	University King Juan Carlos. Spain	Spain Administration
27	Ms. ANIFO Naila Mahomede	Mozambique	2nd year: License in computer engineering and telecommunications	License in computer engineering and telecommunications (3 years)	ISUTC Higher Institute of transport and telecommunication	Portugal Administration
28	Mr. KHADKA Santosh	Nepal	Bachelor's degree in Electronics & Communication in Engineering. Nepal	MSC in Mobile Communications	University of East London	Spain Administration
29	Mr. GUARDADO MACHADO Carlos Rafae	Nicaragua	Computing engineer	Technician in CISCO networks	Youth Center Don Bosco. Nicaragua	Spain Administration
30	Mr. TARAWALLIE Lovell	Sierra Leone	Bsc Electronics and Information Engineering. East China University of Science and Technology	Master Computer and Communication Technology (2 years)	Saarland University, Germany	Spain Administration
31	Ms. SEREVIRATNE Sereviratne Mudiyansele Akila Jayani	Sri Lanka	BSC Engineering (Electrical and Electronic). University of Peradeniya. Sri Lanka	Electronic Engineering Research: MPHIL Leading to PHD	University of Surrey.UK.	Spain Administration
32	Mr. HUMEIDA Yousif Alhafiz	Sudan	BSC. Electrical and Electric Engineering. University of Khartoum. Sudan	MSE Modern Digital & Radio Frequency Wireless Communications.	University of Leeds. UK.	Spain Administration

33	Mr. RADEBE Ncobile Vanessa	Swaziland	Technician Certificate in Telecommunications systems. City and Guilds of London Institute	Advanced Diploma in Telecommunications and Electronics Engineering (2 years)	MUC College	Alcatel-Lucent, France
34	Mr. BANAVAI Moussa Yioussifou	Togo	Ecole Superior Multinationale des Télécommunications	Baccalaureate (2 years)	Ecole Supérieure Multinationale des Télécommunications	Spain Administration
35	Ms. KANGABE Rebecca	Uganda	Telecommunications Engineering. Kyambogo University Uganda	Master. Modern Digital & Radio Frequency Wireless Communications	University of Leeds	Spain Administration
36	Ms. LUNGU Chimika	Zambia	Diploma and Certificate in Information Systems Evelyn Hone College management Board. Zambia	NCC Information Technology Degree (3 years)	Zambia Centre of Accountancy Studies	Spain Administration
