Profession: Analyst of Added Value Services in Telecommunication

Mr. Juan Pablo Cosentino (Alumni of Youth Forum World 2003 & YES 2004) is currently working as an Analyst in a telecommunication company, Mobile America Group, in Argentina.

Mr. Juan Pablo Cosentino first learnt about ITU-Telecom Youth Forum from his university, University of Belgrano, Argentina, when he was studying Electronics Engineering, specialized in Telecommunications. In order to reach new knowledge and friends, he applied for, and was selected for World Youth Forum 2003. After attending the Forum, Mr. Juan Pablo Cosentino got to know further about ITU-Telecom Youth Program and one of its initiatives, YES Scholarship. In 2004, he was awarded this Scholarship, which enabled him to continue his study and obtain his Master degree in mobile communications from the Polytechnic University of Catalonia in Barcelona, Spain.

These two impressive events had crucial influence on Mr. Juan Pablo Cosentino's whole life. On the one hand, the Youth Forum enriched him with the knowledge in communications technologies and created an opportunity for him to know the necessities in ICTs field from the countries all over the world. On the other hand, YES Scholarship promoted his professional life and stimulated him to go on study in telecommunication field.

“I am very much grateful to ITU who created through a dedicated Youth Programme such wonderful opportunities for the young people like me.”
Said Mr. Juan Pablo Cosentino. ***“I believe that the young people are able to generate great changes for the future of ICTs.”***
