Subject: **Invitation to the first meeting of the Council Working Group on the International Telecommunication Regulations, Geneva 7-8 June 2004**

Dear Colleagues,

1 Pursuant to Resolution 121 (Marrakesh, 2002), a Council Working Group on International Telecommunication Regulations (ITR) has been established to review the ITR and to report to Council. This Working Group is open to all Member States, whose delegation may include appropriate legal, regulatory and technical experts.

2 The first meeting of this Group will take place in Geneva (Montbrillant Building - Room K) on 7-8 June 2004 just before Council. A draft agenda is attached (**Annex 1**). Member States and experts nominated by them are invited to attend. The meeting will open at 1400 hours on Monday 7 June 2004 and registration will be possible from 1300 hours on that day in the second basement of the ITU Tower building. Registration of participants should be by letter or fax (fax No: +41 22 730 5881) as soon as possible but **not later than 24 May 2004**. The registration form is in **Annex 2** (one form to be completed for each participant). List of hotels for delegates to ITU meetings and confirmation form are available at <http://www.itu.int/travel/>.

3 A web page has been established for the Working Group at: <http://www.itu.int/ITU-T/itr/>. Documents for the meeting as well as any relevant information will be posted there. The e-mail multi-list address established for this Working Group will continue to function in order to facilitate message distribution and electronic working. Registration for this e-mail reflector may be arranged on-line by completing the registration form which can be found on Working Group website.

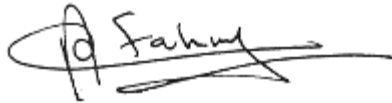

4 For your convenience, wireless LAN facilities are available in the ITU main conference room areas and in the CICG building (International Conference Centre of Geneva) for participants' use. Detailed information is available on the ITU-T website (<http://www.itu.int/ITU-T/edh/faqs-support.html>).

5 We would remind you that citizens of some countries are required to obtain a visa in order to enter and spend time in Switzerland. The visa must be requested and obtained from the office (embassy or consulate) representing Switzerland in your country or, if there is no such office in your country, from the one that is closest to the country of departure. If

problems are encountered, the Union can, at the official request of the administration or company you represent, approach the competent Swiss authorities in order to facilitate delivery of the visa. Any such request must specify the name and functions of the individual(s) for whom the visa(s) is/are requested and be accompanied by a copy of the registration form approved for the ITU conference or meeting in question.

6 Any contributions for consideration at the meeting of the ad hoc group should be submitted to the ITR secretariat, preferably in electronic form, using the model available at the meeting web site mentioned above, to WG-ITR@itu.int **no later than 4 June 2004** in order to facilitate production and distribution for the meeting.

Yours sincerely,

Alaa Fahmy,
Chairman, Council Working Group on ITRs
