

ITU-T Workshop

Video and Image Coding and Applications (VICA)

Abstract

Geneva, 22 – 23 July 2005

Speaker: Naotaka Morita
Vice-Chair ITU-T SG13
NTT/Japan

Session: 1: Network platforms

Title of Presentation: The next generation network: framework and its potential

Since the middle of 2004, the focus group for NGN (FGNGN), which is now under ITU-T SG13, has been working intensively on formulating major key issues such as the activity scope, targets services, requirements, network architecture and so on. In this presentation, FGNGN activity and its expected outputs will be briefly introduced. The architecture to ensure end-to-end QoS will also be touched.
