USING CPI FOR WTDC-17 - PREPARING PROPOSALS FOR THE CONFERENCE

Summary:

This document contains the presentation “Using CPI for WTDC-17 - Preparing proposals for the Conference” delivered during the TDAG17-22 meeting.

Action required:

TDAG is invited to note the presentation.

References:

N/A

The presentation is contained in Annex 1.

Using CPI for WTDC-17

Preparing proposals for the Conference

CPI?

CPI, or Conference Proposals Interface, is the **door to submitting contributions for WTDC-17**.

It is a web interface that those having submitted proposals to other conferences such as WCIT-12, PP-14, WRC-15 or WTSA-16 will already know.

How do I get there?

From the WTDC-17 webpage:

www.itu.int/wtdc17
