Subject: **ITU Centres of Excellence face-to-face training on Broadband Access, 17-18 September 2015, Chemnitz, Germany**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training on “**Broadband Access**” to be held in Chemnitz, Germany on 17-18 September 2015. This face-to-face training is organized jointly by the International Telecommunication Union and the Technische Universität Chemnitz under the auspices of the ITU Centres of Excellence for Europe. The training will be delivered in English.

The course is designed for managers, engineers and employees from regulators, government organizations, telecommunication companies and academia, who are interested in the development, implementation and regulation of broadband access network infrastructures.

At the end of the training, the participant should have gained an understanding of major broadband access technologies and their techno-economic evaluation.

Detailed information on this training is described in the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>.

Registration for the training should be made online at the aforementioned link no later than 1 September 2015. Payment details are specified in the training outline.

Please note that Mr. Jaroslaw Ponder (eurregion@itu.int), Coordinator for Europe Region is at your disposal should you require any further information.

Additional information on this training, such as an information note for participants, including a list of recommended hotels, is available at the ITU Academy Portal at <http://academy.itu.int/index.php/events>.

We look forward to your active participation and invaluable contribution.

Yours faithfully,
