Regulators, ITU-D Sector Members and  
Academia in Europe

Subject: **ITU Centres of Excellence face-to-face training on Strategic Aspects for Internet Governance and Innovations, Warsaw, Poland, 5-6 November 2015**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training on **“Strategic Aspects for Internet Governance and Innovations”** to be held in **Warsaw, Poland** on **5-6 November 2015**. This face-to-face training is organized jointly by the International Telecommunication Union and the National Institute of Telecommunications (NIT), Poland, under the auspices of the ITU Centres of Excellence for Europe. The training will be delivered in English.

Internet and IP protocol is the winning technology in current telecommunications world. “Over IP” is the concept that can be considered in the context of almost all today’s telecommunications services. Good understanding of this “IP world” requires not only knowledge of technical aspects, of the IP technology, but also strategic, political business issues. The course aims at presenting the current process of innovations in Internet from all of these important perspectives.

Detailed information on this training is described in the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>.

The course is addressed to corporate executives and managers, policy makers, regulators, i.e. middle-level managers, administrators, officials and engineers dealing with planning, developing, implementing and managing current and future telecom networks

Registration for the training should be made online at the aforementioned link no later than **2 November 2015**. Payment details are specified in the training outline.

Mr. Jaroslaw Ponder, ITU Coordinator for the CoE-EUR ([eurregion@itu.int](mailto:eurregion@itu.int)) and Mr Sylwester Laskowski, course coordinator ([s.laskowski@itl.waw.pl](mailto:s.laskowski@itl.waw.pl)), are at your full disposal should you require any additional information.

Additional information on this training, such as an information note for participants, including a list of recommended hotels, is available at the ITU Academy Portal at <http://academy.itu.int/index.php/events>.

We look forward to your active participation and invaluable contribution.

Yours faithfully,
