Subject: **ITU Centres of Excellence face-to-face training on “Cybersecurity Lifecycle of the New Millennium”, Prague, Czech Republic, 30 May – 1 June, 2016**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training on **“Cybersecurity Lifecycle of the New Millennium”** to be held in Prague, Czech Republic from 30 May to 1 June, 2016. This training is organized jointly by the International Telecommunication Union and the Faculty of Electrical Engineering of the Czech Technical University in Prague under the auspices of the ITU Centres of Excellence for Europe. The training will be delivered in English through the ITU Academy Platform.

The training aims to build knowledge and understanding of advanced security technologies of the new millennium, hacking techniques and implementation of corresponding countermeasures to assure appropriate cyber security lifecycle. It will provide a comprehensive overview for developers and IT managers on security lifecycles, ‘internet of things’ and information security ecosystems. All of the subjects will be supported by practical exercises and demonstrations.

The course is targeted at executives and practitioners such as CEOs, CIOs, CISOs, policy makers, security architects, ethical hackers, forensic practitioners, law enforcement, legal professionals and advisors, researchers and academics.

Detailed information on this training is described in the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>

Registration for this face-to-face training should be made online at the aforementioned link no later than **10 May 2016**. Payment details are specified in the training outline.

Mr. Jaroslav Ponder, ITU Coordinator for the CoE-EUR ([eurregion@itu.int](mailto:eurregion@itu.int) ) is at your full disposal should you require any additional information.

Further information on this eLearning training, such as an information note for participants, including a list

of recommended hotels, is available at the ITU Academy Portal at <http://academy.itu.int/>

I look forward to your active participation and invaluable contribution.

Yours faithfully,
