Subject: **ITU Centres of Excellence face-to-face training on “Cybersecurity Awareness for SMEs”,
Prague, Czech Republic, 25-27 April 2016**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training on **“Cybersecurity Awareness for SMEs”**, to be held in Prague, Czech Republic from **25 to 27 April 2016**. This training has been developed by the Faculty of Electrical Engineering, Czech Technical University in Prague, Czech Republic, under the aegis of the ITU Centres of Excellence Network for Europe.

The course aims to build knowledge and skills of participants to enable them to identify security weaknesses in networks and to implement appropriate security measures.

The course is targeted for executives and practitioners such as CEOs, CIOs, CISOs, policy makers, security architects, ethical hackers, forensic practitioners, law enforcement, legal professionals and advisors, researchers and academics.

Detailed information on this training is described in the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>

Registration should be made online at the aforementioned link no later than **10 April 2016**.

Additional information on this training, such as an information note for participants, including a list of recommended hotels, is available at the ITU Academy portal at <http://academy.itu.int/>

Please note that Mr. Jaroslav Ponder (eurregion@itu.int), Coordinator for Europe Region is at your full disposal should you require any further information.

I look forward to your active participation and invaluable contribution.

Yours faithfully,
