**Subject: World Telecommunication Development Conference 2017 (WTDC-17), Hilton Hotel, Buenos Aires, Argentina, 9 to 20 October 2017**

Dear Sir/Madam,

Further to the ITU Secretary-General's invitation letter of 6 July 2016 (DM-16/1009 – SG/BDT), I have great pleasure in providing herewith information on organizational and practical arrangements for the forthcoming World Telecommunication Development Conference, to be held at the Hilton Hotel, Buenos Aires, Argentina, from 9 to 20 October 2017.

World telecommunication development conferences (WTDCs) are convened every four years in the period between two Plenipotentiary Conferences to consider topics, projects and programmes relevant to telecommunication development. WTDCs set the strategies and objectives for the development of telecommunication and information and communication technology (ICT), providing direction and guidance to the ITU Telecommunication Development Sector (ITU-D).

Like at previous WTDCs, the High-Level Segment at WTDC-17 will provide a unique platform for high-ranking officials from Member States to express their views on emerging trends and on matters of strategic importance to the development of telecommunications and information and communication technologies to accelerate the attainment of the Sustainable Development Goals (SDGs).

It is suggested that policy statements be limited to ministers, vice, deputy or assistant ministers or cabinet secretaries and speaking time be limited to three minutes with the understanding that full statements will be posted on the website of the conference.

The theme of WTDC-17 is "ICT for Sustainable Development Goals" (ICT@SDGs). The draft agenda of WTDC-17, as approved by the ITU Council with the concurrence of the required majority of Member States, is contained in Annex 1 and the draft structure of the conference in Annex 2.

BDT is offering its membership a number of sponsorship packages in support of ITU-D's 25th Anniversary as well as for side events at WTDC-17. Each sponsorship package features a wide range of benefits and offers a unique opportunity to enhance sponsor visibility. All resources mobilized will be used to organize the activities of the sponsorship packages as well as to implement projects and initiatives, in particular the Regional Initiatives that will be adopted at WTDC-17. Details of all sponsorship benefits can be found at:

[www.itu.int/go/en/itudsponsorships](http://www.itu.int/go/en/itudsponsorships)

In line with ITU gender equality and mainstreaming policy and Resolution 198 (Busan, 2014) on empowerment of youth through telecommunication/ICT, I would also like to take the opportunity to encourage you to include women and young people in your delegation.

Practical details concerning registration can be found in Annex 3.

Mr Yushi Torigoe, Deputy to the Director, BDT, is at your disposal should you require further information.  
Tel: +41 22 730 5784, Fax: +41 22 730 5484, E-mail: [WTDC-17@itu.int](mailto:WTDC-17@itu.int).

I look forward to your participation.

Yours faithfully,

Brahima Sanou  
Director
