**Subject: ITU Regional Seminar for Europe and CIS on Spectrum Management and Broadcasting,
1-2 July 2020, Remote Meeting**

Dear Sir/Madam,

I am pleased to invite you to participate in the ITU Regional Seminar for Europe and CIS on Spectrum Management and Broadcasting, to be organized by the International Telecommunication Union (ITU) with the support of the National Media and Infocommunications Authority of Hungary (NMHH). The Seminar will be held remotely from 1 to 2 July 2020.

This Seminar is organized within the framework of the ITU Regional Initiative for Europe on Broadband Infrastructure, Broadcasting and Spectrum Management and the ITU Regional Initiative for CIS on Fostering innovative solutions and partnership for the implementation of Internet of things technologies and their interaction in telecommunication networks, including 4G, IMT-2020 and next-generation networks, in the interests of sustainable development, adopted by the WTDC-17.

The Seminar will consider the future challenges to be addressed in broadcasting and in spectrum management to ensure that Europe and CIS regions are equipped with relevant measures and effective tools. It will discuss, in particular:

- World Radiocommunication Conference 19 (WRC-19) and preparation for WRC-23
- Strategic planning and policies for wireless innovation in Europe and CIS
- Spectrum management and the future of 5G
- Economics of spectrum in the context of 5G
- Tendering of 5G frequencies
- Electromagnetic fields and 5G implementation
- Measurement methods and tools
- Digital broadcasting
- International frequency coordination

The event will be conducted in English and Russian with simultaneous interpretation.

Documents related to this event, including agenda and presentations, will be available on the ITU [website](#).

To participate, please register online using the link available at <http://www.itu.int/go/regitud> no later than **25 June 2020**. The links to connect to the online platform will be provided to participants upon registration.

Guidelines on how to use the Interprefy platform may be found on the [Remote Participation Services web page](#).

Mr Jaroslaw Ponder, Head of the ITU Office for Europe (tel: +41 22 730 6065, e-mail: eurregion@itu.int) and Mr Farid Nakhli, Programme Coordinator, ITU Regional Office for CIS (tel: +7 495 926 60 70, e-mail: ITU-RO-CIS@itu.int), are at your full disposal for any questions you might have concerning this event.

Yours faithfully,
