

Ms. Ana María Carrillo

Co-Founder and CEO of Hearcolors a Mexican company specialized in digital accessibility. Since 2014, Hearcolors has trained more than 5,000 professionals in design and development of accessible websites, as well as creation of accessible documents. It has also led the adequation of Mexican legal and regulatory frameworks to implement accessibility and has accompanied clients from Mexico and other LATAM countries in their digital inclusion journey.

Ana María has participated in numerous national, regional and international conferences to share her experience and has offered consulting services to international organizations such as the ITU, OECD, and APEC among others.

She holds a BA in International Relations and a Masters in Diplomatic Studies. She was a member of the Mexican Foreign Service from 1999 to 2011 where she specialized in the inclusion of Mexicans abroad through empowerment strategies including digital skills, financial education, and health prevention.
