

**Ms. Astrid BONTE**

Astrid Bonté is Director of International and Institutional Affairs at Eutelsat Group, a global leader in satellite communications, delivering connectivity and broadcast services worldwide. The group was formed through the combination of Eutelsat and OneWeb in 2023, becoming the first fully integrated GEO-LEO satellite operator with a fleet of 35 geostationary satellites and a low earth orbit constellation of more than 600 satellites. The group addresses the needs of customers in four key verticals of video, where it distributes more than 6,500 television channels, and the high-growth connectivity markets of mobile connectivity, fixed connectivity, and government services.

Astrid has over two decades of experience in the space industry: her career started at the Office of Science and Technology at the French Embassy in the United States in 1999, she then joined the space launch sector at Arianespace (2000-2003), and finally joined Eutelsat in 2004 where she was initially in charge of institutional affairs related to Eutelsat broadcasting activities.

She graduated from Sciences Po Grenoble, Paris V René Descartes Law School and the University of California, San Diego.
