Administrative Circular
CACE/332

20 December 2004

To Administrations of Member States of the ITU and Radiocommunication Sector Members participating in the work of the Radiocommunication Study Groups and the Special Committee on Regulatory/Procedural Matters

Subject: Submission of a new satellite radio transmission technology for IMT-2000

In accordance with Resolution ITU-R 47, I wish to inform you that the French Administration has submitted to the ITU a proposal for a new satellite radio transmission technology for IMT-2000 (see Annex 1). Further to resolves 2 of the same Resolution, Administrations of Member States and Sector Members are invited to submit an evaluation of the proposal, based on Recommendation ITU-R M.1225, within three months of the date of this Circular Letter.

Valery Timofeev
Director, Radiocommunication Bureau

Annex: [Doc. 8/66](#) “New satellite radio transmission technology (RTT) for IMT-2000” (France)

066e.doc
