### Details regarding organization of the work and participation in the Radiocommunication Assembly 2019

#### 1 Duties and functions of the Radiocommunication Assembly

The duties and functions of the Radiocommunication Assembly are defined in Article 13 of the Constitution and Article 8 of the Convention, while the working methods of the Assembly are described in § A1.2 of Resolution ITU-R 1-7.

#### 2 Preparatory documents

In accordance with § A2.2.1 of Resolution ITU-R 1-7, the following documentation will be available as preparatory documents for the Assembly:

- draft texts, prepared by Study Groups, for approval;
- a Report from the Chairman of each Study Group, CCV, RAG<sup>1</sup> and CPM, reviewing activities since the preceding Radiocommunication Assembly, including from each Study Group Chairman a list of:
  - topics identified to be carried forward to the next study period;
  - Questions and Resolutions for which no input documentation has been received for the period mentioned in § A1.2.1.1 of Annex 1 (of Resolution ITU-R 1-7). Should a Study Group believe that a certain Question or Resolution should be maintained, the Report from the Chairman must include an explanation;
- a Report by the Director, which should include proposals for the future work programme;
- a list of Recommendations approved since the previous Radiocommunication Assembly;
- contributions submitted from Member States, the State of Palestine and Sector Members addressed to the Radiocommunication Assembly.

#### 3 Contributions

Contributions to the Radiocommunication Assembly will be processed according to the provisions of [Resolution ITU-R 1-7](#) and further detailed in the [Guidelines](#) for the Working Methods of the Radiocommunication Assembly referred to therein. In order to ensure, in accordance with Resolution 165 (Rev. Dubai, 2018), the timely translation and thorough consideration of documents submitted to RA-19, Member States, the State of Palestine and Sector Members should **submit their contributions no later than twenty-one (21) calendar days before the commencement of the Assembly (deadline 30 September 2019)**.

The ITU standard document format is included in the template for downloading at: <https://www.itu.int/oth/ROA0E0000AB>.

It should be noted that, in accordance with Resolution ITU-R 1-7, contributions that are not available to participants at the opening of the Assembly shall not be considered.

---

<sup>1</sup> Pursuant to No.160I of the Convention, the RAG will prepare a Report for the Radiocommunication Assembly, which will be submitted through the Director of BR.

Contributions will be posted on:

<http://www.itu.int/en/ITU-R/conferences/RA/2019>

One copy of each contribution should be sent by electronic mail to the Radiocommunication Bureau at:

[RA19contributions@itu.int](mailto:RA19contributions@itu.int)

#### **4 Documents**

In accordance with no. 8 of Annex 2 to Decision 5 (Rev. Dubai, 2018) to reduce the cost of documentation of ITU conferences, **RA-19 will be completely paperless**, however, printers will be available in the cyber cafés of the SHICC for participants who wish to print documents on-site. All documents will be available electronically on the [RA-19 website](#). Wireless LAN facilities will be available for use by delegates in the meeting rooms. An ITU [TIES account](#) is required to access RA-19 documents and other electronic resources.

#### **5 Registration and Visa requirements**

Registration to RA-19 will begin in June 2019. Advance registration to RA-19 is mandatory and will be carried out exclusively online through Designated Focal Points (DFPs) for ITU-R event registration. Further information will be available in due time on the [RA-19 website](#).

Please note that visas to travel to Egypt cannot be obtained through the ITU Secretariat. The Host Country website, accessible from the RA-19 website, will contain information on visa requirements to travel to Egypt.

To expedite the processing of visa support requests by the Host Country, participants requiring visa support are invited to include their passport details on the online registration form. This information will then be communicated by the ITU Secretariat to the Egyptian authorities.

#### **6 Practical Information**

The Host Country website, accessible from the RA-19 website, will provide practical information on accommodation booking, visa requirements, traveling to Egypt, local transportation, etc. It will be updated regularly as more information becomes available.

## **Annex 2**

### **Proposal for the organization of the Radiocommunication Assembly 2019**

#### **Committee 1 – Steering Committee**

This Committee will be made up of the Chairman and Vice-Chairmen of the Assembly and the Chairmen and Vice-Chairmen of the Committees.

Terms of reference: to coordinate all matters connected with the smooth execution of work and plan the order and number of meetings, avoiding overlapping wherever possible in view of the limited number of members of some delegations.

#### **Committee 2 – Budget control**

Terms of reference: to determine the organization and the facilities available to the delegates, and to examine and approve the accounts for expenditure incurred throughout the duration of the Assembly and to present a report to the Plenary Meeting showing, as accurately as possible, the estimated total expenditure of the Assembly, as well as an estimate of the costs that may be entailed by the execution of the decisions taken by such Assembly.

#### **Committee 3 – Editorial Committee**

Terms of reference: to harmonize the texts of resolutions and decisions of the Assembly, without altering the sense, with a view to their submission to the Plenary Meeting.

#### **Committee 4 – Structure and work programme of the Study Groups**

Terms of reference: to examine the structure and the work programme of the Study Groups and to revise, as appropriate, the list of Questions to be studied; to propose, as a consequence, on the basis of received contributions, draft new Resolutions and/or revisions of Resolutions ITU-R 4, 5, 8, 11, 22, 23, 25, 28, 37, 40, 47, 50, 54, 55, 56, 57, 58, 59, 60, 64, 65, 66, 67, 68 and 69.

#### **Committee 5 – Working methods of the Radiocommunication Assembly and Study Groups**

Terms of reference: to adopt the appropriate working methods of the Radiocommunication Assembly and Study Groups in accordance with the ITU Constitution and Convention; to propose, as a consequence, on the basis of received contributions, draft new Resolutions and/or revisions of Resolutions ITU-R 1, 2, 6, 7, 9, 12, 15, 19, 34, 35, 36, 43, 48, 52, 61 and 62.

NOTE – The working methods of the Radiocommunication Assembly are covered by the provisions of Resolution ITU-R 1-7, in particular those contained in §§ A1.2 and A2.2.1.
