8 Practical Information

8.1 Munich

Munich is the capital and largest city of the German state of Bavaria and the third-most populous city in Germany. It's being famous for its beautiful historic architecture, fine culture, museums and "Oktoberfest", the annual beer celebration. Further information at Munich Tourist Information: <http://www.muenchen.de/int/en.html>

8.2 Banks and Currency

Currency in Germany is the Euro (€).

You can find currency exchange desks at any airport you arrive to, most train stations in larger cities, all banks or you can use your ATM card at most ATM's in Germany.

Note that notes over 100 Euro may not be readily accepted in some smaller restaurants or shops.

Be aware that CREDIT CARDS are not widely accepted in Germany. Especially smaller shops, such as bakeries, butchers, news agents, etc. and also some restaurants only accept CASH.

8.3 Climate

The month of October is characterized by *rapidly falling* daily high temperatures.

Daily average temperature for October, Munich Bavaria: 17-10°C / 62-50°F.

8.4 Electricity

If you are visiting Germany from another country ensure your device can accept a 230 volt/50 Hz supply.

If charging a device which was purchased in a country which uses a lower voltage such as 110 volts check that your device is dual-voltage (*marked with a 100-240 volt notation*) else you may need to use an additional international travel voltage converter to avoid the device from damage.

There are two types of power supply used in Germany:

“Europlug” (2 circular adjacent holes next to each other for live and neutral pins)

“Round Plug” (two 4.8mm round holes 19 mm adjacent to each other where the live and neutral pins slide into and a pair of metal grounding clips above and below).

8.5 Language

German is the official language in Germany but English is widely spoken throughout the country.

8.6 Local Time

The time zone in Germany is European time (GMT +1), daylight saving time is used.

8.7 Nationwide Emergency Phone Numbers:

Police	Fire/Ambulance
110	112

8.8 Public Transport

Munich has a well-developed public transport system. If you want to use public transport during your stay check the following link and use the journey planner to find your individual routes:

<http://www.mvv-muenchen.de/en/homepage/index.html>

You can also use the calculation tool on the following link to find the best ticket rates during your stay: <http://www.mvv-muenchen.de/en/tickets-fares/mvv-ticket-information/index.html>

8.9 Taxi-Call Munich

Phone: +49 (0)89 21 61 0

Order online: <https://portal.taxi-muenchen.de/norder/order.php>

8.10 Tipping

It is typical to "round up" the amount to some more-or-less round figure. A rule of thumb is to add 5-10%, generally ending with a full Euro amount.
