- 11) Submission by the Administration of Sweden regarding Harmful Interference to its Satellite Networks at the Orbital Position 5°e, Document RRB24-2/6-E, dated 2024-05-29

Mr Director,

The Swedish Administration hereby kindly asks you to bring this contribution to the attention of the 96th meeting of the Radio Regulations Board which will take place from June 23 to June 28, 2024.

In accordance with resolve 2 of Resolution 119 (Rev. Bucharest, 2022) of the ITU Plenipotentiary Conference, the Swedish administration requests the Radio Regulations Board to publish the conclusions of its deliberations concerning our contribution in reference 11) on the websites of the Radio Regulations Board and the Radiocommunication Bureau.

We would greatly appreciate the Radio Regulations Board taking our request into consideration.

Best Regards,

Farshad Moradi

Head of Spectrum Development
Swedish Post and Telecom Authority (PTS)
