

## RESOLUTION ITU-R 39-1

## FURTHER STUDIES CONCERNING UNWANTED EMISSIONS

(1997-2000)

The ITU Radiocommunication Assembly,

*considering*

- a) that Radiocommunication Study Group 1 has created Task Group 1/5 to carry out urgent studies on unwanted emissions;
- b) that in completing its programme of work in time for World Radiocommunication Conference (Geneva, 1997) (WRC-97), Task Group 1/3 experienced some difficulties with the timely availability of information from the other Radiocommunication Study Groups;
- c) that the results of the studies of Task Group 1/5 are planned to be completed by October 2000,

*invites*

**1** Radiocommunication Study Groups 3, 4, 6, 7, 8 and 9 to appoint Rapporteurs to participate in the work of Task Group 1/5 in order to assist in their efficient working and encouraging their members to attend the Task Group meetings,

*urges administrations*

**1** to support Task Group 1/5 through submission of contributions and active participation in its work.
