OUTLINE

□ Introduction

□ Objectives

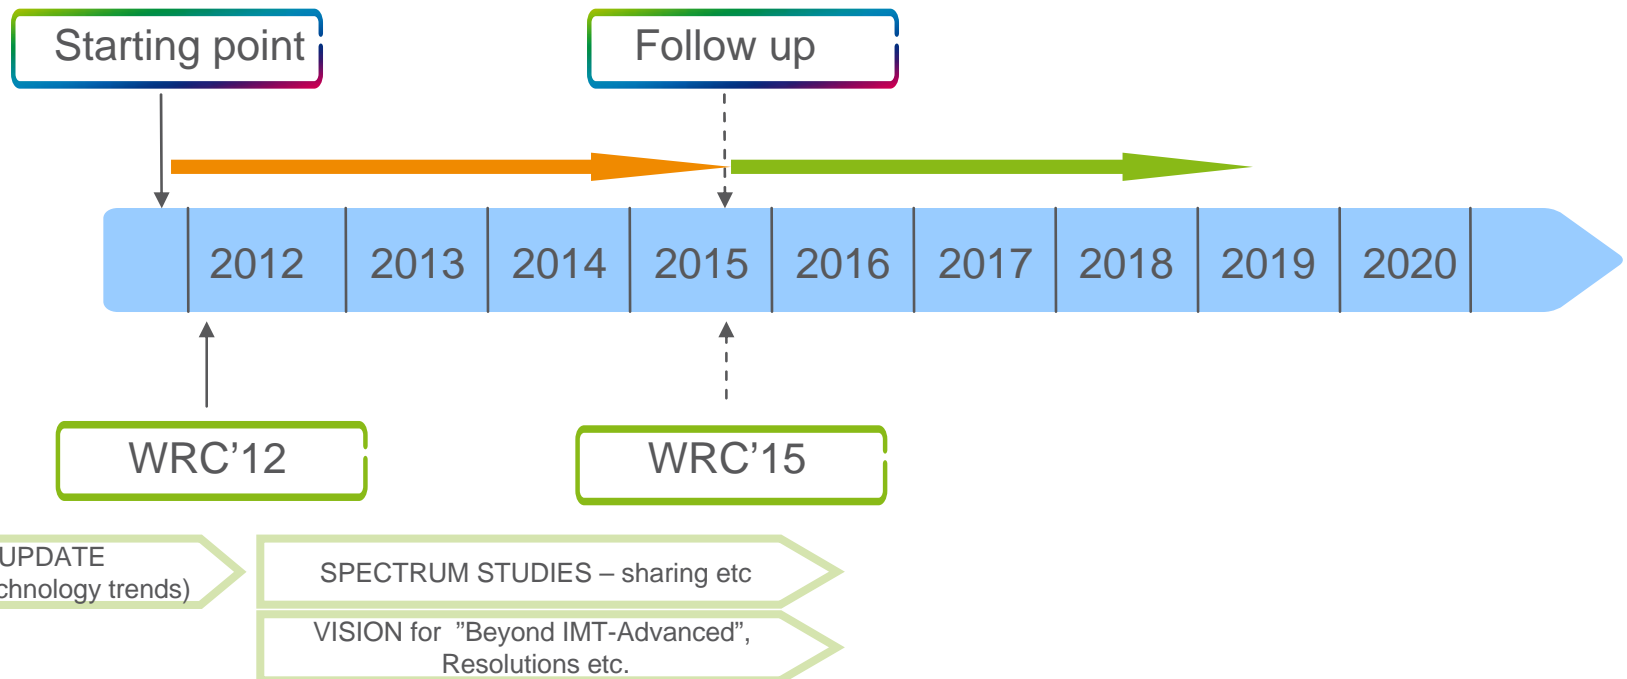

□ Approach

□ Areas

□ Way Forward

Introduction: Background

- › Major Vendors & Operators in Europe started discussing what is coming beyond LTE-A
 - Are convinced that there is a need for a strategic project/initiative to address the challenges for Beyond 2020 global mobile and wireless communications systems

**Slides 4 to 18 will be shown
during the workshop**

Way Forward

- › Consolidate the current initiative among the Stakeholders
- › Initiate discussions and the collaboration with/within
 - ITU-R
 - 3GPP
 - FP7, FP8 programme
