Chair of Sub-Committee 2

REPORT ON THE WORK OF SUB-COMMITTEE 2

1. Sub-Committee 2, under the chairmanship of Ambassador Asko Numminen (Finland), met eleven times to discuss the drafts of the Declaration of Principles and the Plan of Action.
2. For work on the draft **Declaration of Principles**, a Working Group was established under the chairmanship of Ms Lyndall Shope-Mafole (Republic of South Africa). A number of small *ad hoc* groups were also established. The draft text was also reviewed by a special meeting of Heads of Delegation. The draft Declaration, PC-3/DT1(Rev.2B) together with additional inputs in an annex, is forwarded to Plenary, with a recommendation that it be considered as the basis for further work.
3. For work on the draft **Plan of Action**, a chairman's draft was used as the basis for the work of a series small *ad hoc* groups. A revised draft was then considered by Sub-Committee 2, which adopted sections A, B, C11 and E of the draft Plan of Action. The remaining sections C1-10, D and F are the output from the *ad hoc* groups, but were not considered by the Sub-Committee and are therefore shown in italics in the text. The draft Plan of Action, the revised Addendum 2 to this document, is forwarded to Plenary, with a recommendation that it be considered as the basis for further work.
4. Both documents remain in square brackets.
