Subject: **Radiocommunication Assembly 2019 (RA-19)**

Dear Sir/Madam,

I have the honour to inform you that, following the adoption of Resolution 1380 (modified 2017) by the Council of the International Telecommunication Union, and in concurrence with the majority of the Member States, the forthcoming Radiocommunication Assembly 2019 (RA-19) will take place in Sharm El Sheikh, Egypt, from 21 to 25 October 2019. The Government of Egypt confirmed subsequently that the Conference will be held at the Sharm El Sheikh International Congress Center (SHICC).

Pursuant to Article 25 of the ITU Convention and Section 3 of the General Rules of Conferences, Assemblies and Meetings of the Union (General Rules), I have great pleasure in hereby inviting your Organization to send observers to RA-19. I would like to draw your attention to Resolution 145 (Antalya, 2006), in particular in which Annex 2 (Section II) is applicable to this RA-19.

In accordance with No. 22 of the General Rules, I would kindly ask you to confirm to ITU-R.Registrations@itu.int, at least one month before the date of opening of RA-19 (i.e. **21 September 2019**), whether your Organization intends to attend, indicating the estimated number of participants.

The Radiocommunication Bureau will issue a subsequent Administrative Circular which will set forth relevant details pertaining to the organization and arrangements for RA-19.

Preliminary information can be found on the RA-19 Web site at www.itu.int/go/ITU-R/RA-19.

Yours faithfully,

Houlin Zhao
Secretary-General
