

Visit of Baden-Wuerttemberg Cooperative State University's students

Welcome to ITU-T

It is my great pleasure to welcome you to the Telecommunication Standardization Sector of the International Telecommunication Union. ITU is increasingly looking to attract academia and R&D institutions, bringing ideas on new future technologies and fostering their involvement in the ITU Standardization process. I look forward to our future collaboration.

Malcolm Johnson
Director, Telecommunication Standardization Bureau

Geneva, Switzerland, 16 April 2010

Room K1, Montbrillant Building

Visit of Baden-Wuerttemberg Cooperative State University's students

**Geneva, Switzerland, 16 April 2010
