Dear Sir

**RE: SPECIAL CATEGORY VISA GRANTED TO PARTICIPANTS IN THE
GLOBAL SYMPOSIUM FOR REGULATORS (GSR-19) AND THEIR
ACCOMPANYING FAMILY MEMBERS**

The Government of Vanuatu through the Office of the Government Chief Information Officer and the Telecommunications, Radiocommunications and Broadcasting Regulator (TRBR) of Vanuatu will be hosting the above event in Port Vila from 9 to 12 July 2019.

Following the request from the authorities concerned and given the benefits that the meeting will bring to Vanuatu especially to the ICT sector, you are instructed to issue a special category visa to all participants and their families arriving through our border for the purpose of the meeting. The term of validity of the special category visa to be issued is **two weeks from the date of arrival**.

An advance team comprising ITU staff members who will be assisting the local organizing team will be issued a **one (1) month special category visa from the date of arrival**.

By copy of this note, all airlines are advised that all meeting participants will be issued a visa upon arrival and must therefore be allowed to board their flights to Vanuatu. The local organizing committee is advised to inform all participants registered for GSR-19 to provide a copy of their "Confirmation of Registration" letter issued by ITU and any other documents needed as proof to attend the meeting to the border officials before the special category visa can be issued.

For any further clarifications, please contact the office of the Director of Vanuatu Immigration Services via e-mail at jmarkson@vanuatu.gov.vu or mnatonga@vanuatu.gov.vu or willies@vanuatu.gov.vu

Yours sincerely,

Stephen Willie
