GSR-15, Libreville, Gabon, 8-11 June 2015
Register Now!

The 15th edition of the Global Symposium for Regulators (GSR) is just around the corner. [Register now](#) and join the interactive discussions and share your experience with fellow executives.

GSR-15 will explore ways to ensure that people everywhere can benefit from the social and economic opportunities of the digital economy.

Panels will include presentations from lead experts on the following topics:

- **Internet of Things • Interoperability • Taxation • Smart Regulation to Facilitate M-Services and Application • Network Sharing Models • Innovative Investment Strategies**

An exciting lineup of events

- The [Regulatory Associations will take place on 8 June](#). This meeting is “by invitation only” and will provide an opportunity to discuss topical issues such as access to international fibre communications; and, the role of regional and international organizations in International Mobile Roaming, and to exchange information and build bridges towards better and more active cooperation between the Regulatory Associations in the various regions of the world.
- The Private Sector [Chief Regulatory Officers \(CRO\) meeting will take place on 8 June](#) and will bring together ITU-D Sector Members’ senior Chief Regulatory and Public Affairs Officers to discuss common issues, share best practices and identify industry’s perspectives regarding attracting investment; deploying, extending and upgrading networks; spectrum management; public-private partnerships; and regulatory processes.

- A **special session** will highlight the role of ICT data and statistics for effective regulation and policy-making. Participants will find out how they can improve their data quality and availability. They will also be informed about the upcoming World Telecommunication/ICT Indicators Symposium (WTIS), the key global forum to discuss international ICT measurement and a unique opportunity to join the leadership dialogue.

Sponsorship opportunities

Sponsorship opportunities are proposed for GSR-15 pre-events and for sessions of the Global Regulators-Industry Dialogue (8-10 June 2015). Don't miss this unique opportunity to increase your company's visibility and brand or to promote your products and services to hundreds of high-level representatives of regulatory authorities around the world.

Details of sponsorship opportunities and on GSR-15 and its lineup of events are available on the [GSR15 website](#).

We look forward to meeting you in Gabon.
