## TRANSPORTATION FOR PARTICIPANTS

---

Khartoum International Airport is the main point of entry into to Sudan. Airport taxis and shuttles are available from the airport to hotels. Hotels can arrange pick up for participants.

Please note that the NTC will provide transportation from the airport to the recommended hotels, as long as the participant's itinerary has been provided to the Event Coordinator in advance. There will be an authorized representative from NTC to welcome the participants who have provided their flights details and may assist to solve any problems.

## CURRENCY

---

- The official currency is the **Sudanese Pound (SDG)**.
- Visa, American Express, Access/MasterCard, and Diners Club cards **CANNOT** be used for direct payment, but can be used to withdraw local currency cash from ATM machines
- Foreign currencies may be changed into Sudanese Pounds at banks or private exchange offices. Most banks are open from Sunday until Thursday, from 0830h to 1430h.
- The exchange current rates in Sudan as of 24 October 2016 are as follows:

 Dollar	6.35360 SDG
 Euro	6.91852 SDG

## CLIMATE

---

The weather is cold and dry in January and February. Approximate temperatures in January-February will vary between 20-38 degrees Celsius.

## SECURITY

---

Khartoum is a venue for major conferences and presents a low risk to business travelers. However, as when travelling to any major city, it is important to take responsibility for your personal safety and exercise common sense security precautions at all times.

Delegates should observe common sense security precautions and not venture outside the main business and tourist areas unless accompanied by a trusted local guide.

For any security incident, visitors should contact the police on **999**.

## ELECTRICITY

---

AC power voltage in Sudan is 220 V, frequency 50Hz. Most electrical outlets -are British standards: 2 and 3 outlets (as shown below).
