# What is the ITU Academy?

# What is the ITU Academy?

- ❑ The ITU Academy is an online platform featuring ITU's capacity development and training activities
- ❑ It is comprised of two systems:
  - ❑ A **content management system (CMS)** featuring information on ITU's activities and links to capacity building events, workshops and training courses
  - ❑ A **learning management system (LMS)** featuring a fully-fledged online learning environment

# Target audience

The ITU Academy is open to all who are interested in developing their capacities and skills in the field of ICT and digital development. ITU Academy users can be **government policy makers and regulators, technical and operational staff, students and teachers, entrepreneurs as well as citizens wishing to improve their basic digital skills.**
