Barriers to deployment of eHealth

- **Lack of awareness and confidence in eHealth solutions**

- **Lack of interoperability**

- **Limited large-scale evidence of the cost-effectiveness**

- **Lack of legal clarity**

- **High start-up costs**

- **Regional differences in accessing ICT services**

Digital Health for Healthy Lives and Wellbeing for All
A high-level Policy Dialogue on Digital Health
Geneva, 23-24 May 2016
