

**Mrs. Christa Burke-Medford**  
**Universal Service Fund Administrator**  
**National Telecommunications Regulatory Commission Grenada**

Christa Burke-Medford is a Project Management Professional with over 8 years' experience in the field of project management. Mrs. Medford is currently employed with the National Telecommunications Regulatory Commission Grenada in the capacity of the Universal Service Fund Administrator since 2010 with the responsibility for the management and administration of the Universal Service Fund. Mrs. Medford has been instrumental in assisting with the expansion of telecommunications and ICT on a national level through the implementation of Universal Service Fund projects targeting underserved and unserved communities, public institutions such as schools, hospitals and special interest groups such as persons with disabilities. Mrs. Medford has also forged partnerships with NGOs and other stakeholders to implement programmes aimed at improving the lives of young women, girls and youths through ICT initiatives. Key among this is her passion for supporting initiatives geared at empowering and promoting women and girls in ICT as a woman within the field of ICT herself.

Mrs. Medford is a graduate of the Midwestern State University, United States with a Bachelor Degree in Business Administration Finance, she also holds two Masters' Degree one in the area of Business Administration with a focus on business strategy and international business from the University of Bradford, England and the other in the area of Project Management from the University of International Cooperation, Costa Rica. She is also a green certified project manager, focusing on integrating sustainability in project management.
