ABOUT UAE

The United Arab Emirates is a constitutional federation of seven emirates; Abu Dhabi, Dubai, Sharjah, Ajman, Umm al- Qaiwain, Ras al-Khaimah and Fujairah. The federation was formally established on 2 December 1971.

The United Arab Emirates (UAE) occupies an area of 83,600 sq. km along the south-eastern tip of the Arabian Peninsula. Qatar lies to the west, Saudi Arabia to the south and west, and Oman to the north and east. The capital and the largest city of the federation, Abu Dhabi, is located in the emirate of the same name. Four-fifths of the UAE is desert, yet it is a country of contrasting landscapes, from awe-inspiring dunes to rich oases, precipitous Rocky Mountains to fertile plains. The United Arab Emirates, one of the world's fastest growing tourist destinations, has all the right ingredients for an unforgettable holiday, sun, sand, sea, sports, unbeatable shopping, top-class hotels and restaurants, an intriguing traditional culture, and a safe and welcoming environment.
