Name of Organization:	UNESCO
Event Title:	Expert Group Meeting on The Impact of COVID 19 on Science and Engineering Education in the Arab Region
Event Description:	A draft Report on the study on the Impact of COVID 19 on Science and Engineering Education in the Arab Region has been prepared by UNESCO Cairo Consultant. The EGM is been organized for a panel of 15 regional experts to discuss with the report writer the proposed recommendations presented in the report. It is worth mentioning that most of these recommendations were deduced after analyzing the data collected through a regional survey disseminated across the regional to all higher education and research institutes.
