Omar Abdel-Gawad, Programme Associate, [o.abdel-gawad@unesco.org](mailto:o.abdel-gawad@unesco.org)

<b>Name of Organization:</b>	ITU
<b>Event Title:</b>	ITU Online training on ICT/digital accessibility: "Towards building inclusive digital communities"
<b>Event Description:</b>	<p>The training course aims to strengthen capacity in ICT Accessibility to ITU Members from Arab region, in particular for digital content creators and digital communicators as well as policy and decision makers in the regulatory bodies, banks, and telecom operators who are involved in delivering digital services and are interested to ensure that their public content is accessible to all including to persons with disabilities (PWDs). Furthermore, the course is also designed to leverage knowledge to project managers, website and Apps developers, digital designers, websites and Banks managers as well as telecom operators.</p> <p>The overall objective of this training is to provide insights on how to achieve development of in-country and in-region capabilities on ICT accessibility, empower participants with the key information on the topic, and provide holistic information on the use of resources made available by ITU to support, local national and regional, in line with ITU toolkit "Towards building inclusive digital communities".</p>
